The Art of Infowar Course Is Specific To the Conflict between the N.W.O. And Humanity

This course is not a generalized study on information warfare as a broad topic related to any conflict that may take place. It focuses on the infowar which is a conflict between the N.W.O. and people who want freedom and prosperity.

The Members of the N.W.O. Commit Crimes

The N.W.O. commit many crimes. Their crimes are diverse and massive in scale and in frequency. We saw some examples of their crimes in the previous course titled Operation Icebreaker. The N.W.O. crimes and activities harm humanity and they have no intentions of stopping their activities. Therefore, we must stop them to protect ourselves. They are simply criminals. All we have to do is prosecute them and put them in jail.

The Art Of Infowar Is A Method Of Investigating The Crimes Of The N.W.O.

Because their N.W.O. conspiracy is so large we need to create a method for investigating them. There is so much information you could spend a lifetime studying them and never understand the full picture unless you have a clearly defined route through the information with clearly defined goals like identifying their members and the crimes they commit and the strategies they use.

How Do You Investigate The N.W.O. Global Conspiracy?

Here are the basic steps:

1. Establish that there is a conspiracy using their own statements about creating a New World Order.
2. Identify the people involved who are the members of the conspiracy.
3. Use a timeline to connect all the parts of the conspiracy together using the statements and activities of the people involved in the conspiracy.

Think About How You Are Approaching This Topic

Because this is a diverse global conspiracy you have to think big. The N.W.O. currently rules the world. It is spiritual, religious, geopolitical and it has secret groups. There are members all over the world. They are in governments and police forces and militaries and institutions of all types. It is a generational conspiracy that has been ongoing for about 400 years. Therefore, assuming that the N.W.O. is just a Jewish banking conspiracy or it is just a Masonic conspiracy is incorrect. Jewish people and masons are involved but it is a diverse global conspiracy so you will find all races and levels of society involved. The N.W.O. are very experienced at what they do. They are the best at what they do and they are deceptive. But at this point in time their plan is so close to completion that they can't hide it anymore.

The N.W.O. have announced their presence and their goals. They are in the open and all they can do to hide their true intentions is make you doubt your own judgment by lying to you.

What Should We Expect To Discover?

In this global conspiracy we can expect to discover the following topics:

- The originator of the conspiracy
- Organizers and leadership
- Lower level members
- Organizations
- Goals
- Strategies
- Timelines of their activities
- Crimes and victims
- Cover stories for their actions
- Suppression of truth
- Suppression and elimination of competition
- Admissions, bragging, whistle blowers, witnesses
- Physical evidence

The Occult Societies Are Involved In The N.W.O.

Some connections between members of the N.W.O. have to be kept secret. Their plans are very dependant on deception. Secret societies are a perfect place for people to meet and conspire in secret. Several prominent secret societies support the N.W.O. and Lucifer. They tell us in their writings. The various secret societies form a human hierarchy under the control of the spiritual hierarchy of Lucifer and the fallen angels.

The Original Text Bible Needs To Be Studied

Because Lucifer and the N.W.O. clearly state that they have a problem with God, His creation and His Bible, we need to study the original text Bible to fully understand the problem. The information in the Bible proves that God created the universe and He is the ultimate authority in the universe. The prophecies in the Bible tell us about the N.W.O. over a thousand years before it was created.

You can still understand the N.W.O. and the solutions to peace and prosperity without including the religious study path if you want to skip the religion topics but you might not fully understand the N.W.O. motivations. Even so, if you don't fully understand the N.W.O. members' spiritual motivations, you can still understand their crimes and the solutions to stopping them but you will be vulnerable to deceptions if you don't study the religious aspects of the N.W.O.

The Principle Parties Involved In The Conflict Are Lucifer And God

There are many parties involved in the infowar. The two principle parties are Lucifer and God. The rest of the people of earth are on one side or the other of the battle line but sorting who is on what side is complicated. Sometimes individuals and organizations tell us what side they are on when they make statements for or against the N.W.O. The complication arises because many people simply do not realize they are helping build the N.W.O. because they are deceived. If they knew who they were really helping and what they were really building they would probably not participate. The N.W.O. course has more information about the N.W.O. members and organizations.

The Evidence Shows Us That God and Lucifer and the Spiritual Hierarchy Are Real and Active

At this point we already have seen enough evidence to show that God and Lucifer are real beings. They have shown up in one description or another throughout the history of mankind in all religions and they both tell us the same story. Until this very day we see the same story: Lucifer is trying to take over the world. It's happening right before your eyes. Our world leaders use Lucifer's name and tell us they are following his plan. They even tell us God created mankind and that Lucifer's interference is the cause of our mortality and death.

The problem can be most simply stated. **Either the spiritual Hierarchy exists**, with all its potencies of love, wisdom and skill in action, **or for ages humanity has suffered from hallucinations**; either Christ and His group of Masters, initiates and disciples are facts in the natural processes of evolution, **historically proven and known through Their spiritual activity down the ages**, or people have been victims during those ages of **a gigantic fraud - emanating from what and where?** Either the spiritual worlds and the three worlds of human endeavour can be related, or there is nothing to past beliefs, to ancient stories of manifesting divinity and to the constantly recurring periods of divine intervention.

The Investigators

Infowarriors

There are different types of infowarriors with different perspectives on the N.W.O. but their descriptions of the N.W.O. are basically the same. It's the details that infowarriors sometimes don't agree on. There are different types of people in this world so infowarriors can be religious or atheist and they see the same things differently from their own perspectives. Then they describe things from their perspective and sometimes it sounds like they contradict each other but it's the same story from a different point of view.

No one is perfect. Just because someone is an infowarrior does not mean that they know and understand the absolute picture or every single detail of the world. As you study at Infowar School you will hear from people who have been exposed to the same lies and conditioning as you have but they are trying to work through it and reveal the truth. These infowarriors are good people who in some cases dedicate their lives to only one or two areas of study so they can't possibly put together the whole story. Because of these dedicated people we have all the pieces of the picture available to us. By studying all the topics and following the facts you will be able to find and understand the absolute picture. As you learn the absolute picture you will be able to see where some of the infowarriors make mistakes and you can correct those mistakes with facts presented by other infowarriors.

The Method for Exposing the N.W.O. Criminal Global Conspiracy

The N.W.O. conspiracy is designed to operate, for the most part, in the open because it has no chance of being completely hidden. Because it operates in the open all we have to do is identify who the members are and we can very easily connect all the necessary pieces together. We begin with what amounts to their formal declaration of a conspiracy: their calls for a New World Order.

Their Calls for a N.W.O. Reveal Their Members and Organizations

Many people and organizations have made calls for a N.W.O. From those statements we can see who some of the members of the N.W.O. are. We have already seen some of them in the previous course Operation Icebreaker.

We can use their calls for a N.W.O. to begin building a picture of their hierarchy of members. From those members we can find other members including hidden members and organizations by following connections to people who follow the same plan and work towards the same goals.

Their Calls for a N.W.O. Reveal Their Motivations and Goals

The members of the N.W.O. tell us we need a N.W.O. to solve problems related to these topics:

Conflicts Between Nations	Trade Disputes	Corruption
War	Financial	Capitalism
Poverty	Terror	Health
Covid	Environment	Climate Change
Energy	Migration	Women
Gender Inequality	LGBTQ	Minorities
Education	Media	One World Religion
Israel	Ukraine	

They tell us why these topics are related to their N.W.O. for example, they tell us we need the United Nations to end war and conflict between nations.

Their Motivation and Goals Reveal Their N.W.O. Activities

The N.W.O. also tell us the activities that they are undertaking to reach their various goals. even when they don't tell us their activities we can often discover the activities that they are involved in because it becomes very obvious when the N.W.O. members are all working together on a topic that leads to one of their stated goals. For example we can see their many activities connected to climate change that are directing us towards a global technocratic police state.

Their Activities Reveal the N.W.O. Strategies and Timeline from 1588 and Their Plans for the Future

When we investigate the members of the N.W.O. and their activities a timeline emerges that reveals their strategies over the past four hundred years. We can use those timelines and strategies to reveal what they have planned for the future. They also publish a lot of information on what they are planning to do in the future where they sometimes use ambiguous language and outright deception to hide their true intentions. They publish entire agendas such as Agenda 21 and Agenda 30.

There Is A Lot Of Information

You don't have to learn every detail about the N.W.O. to understand their conspiracy. They tell us enough about their goals and their character to solve their conspiracy. Because it takes some time to work through the long story of the N.W.O. it can be difficult to see the bigger picture when you begin studying them. Not being able to see the big picture can make it difficult to understand a topic. Keep working through the information to learn as many different parts of the story as you can and that will help you gain a greater understanding of the N.W.O. until you can see the full picture. As you continue to study you will see the full picture more clearly.

Their Own N.W.O. Documents And Statements Tell Us A Lot About The N.W.O.

Documents from our governments and the members of the N.W.O. that tell us what they are doing are very good proof of their conspiracy and their crimes. Many laws and actions taken by our so called democratic governments are tyrannical and are often justified by emergencies of some type such as false flag terrorism or a pandemic.

We have already seen in the previous course from the N.W.O.'s own documents several of their statements. Below is a list of some of the important statements they have made:

- the N.W.O. was created and is controlled by Lucifer and the Spiritual Hierarchy
- the N.W.O. admit Lucifer and Satan are the same being
- the N.W.O. admit the God of the original text Christian Bible created humans
- the N.W.O. admit they hate God and the Bible
- the N.W.O. admit they interfered with God's creation
- the N.W.O. admit they want to take over the world

- The N.W.O. admit they interfere with our lives against our will to manipulate humanity into following their plans for achieving their goals
- The N.W.O. admit they want to extinct the human race

Other Types of Evidence

There are other types of proof which are sometimes less documented like former members of the N.W.O. and witnesses to N.W.O. activities. But how do you verify if a person was a member of the N.W.O. because you can't phone their local N.W.O. office and ask? There are ways to verify parts or all of their stories indirectly and directly. One example is John Perkins who worked as an economic hitman and he tells us how corruption and fraud were used to take over a countries land in exchange for loans from the World Bank.

Confessions of an Economic Hit Man

PREFACE

Economic hit men (EHMs) are highly paid **professionals who cheat countries** around the globe out of trillions of dollars. They funnel money from the **World Bank**, the **U.S. Agency for International Development (USAID)**, and other foreign "aid" organizations **into the coffers of huge corporations and the pockets of a few wealthy fami- lies who control the planet's natural resources**. Their tools include fraudulent financial reports, **rigged elections** , payoffs, extortion, sex, and **murder**. They play a game as old as empire, but one that has taken on new and terrify- ing dimensions during this time of globalization. **I should know; I was an EHM.**

Look at the statement below from the Spiritual Hierarchy that corroborates what John Perkins has told us. Do not think that the spiritual hierarchy are trying to warn you. They are trying to deceive you. In the statement below they are describing the Black Lodge who are playing a role in the N.W.O. plan. John Perkins was helping the Black Lodge even if he didn't know it fully but he decided to leave the N.W.O. because he knew something was not right.

CHAPTER III - THE PROBLEM OF CAPITAL, LABOUR AND EMPLOYMENT

Lucis Trust

2023

(1) It must be recognised that **the cause of all world unrest**, of the world wars which have wrecked humanity, and the widespread misery upon our planet, can largely be **attributed to a selfish group with materialistic purposes**, who have for **centuries** exploited the masses and used the labour of mankind for their selfish ends . . . This **group of capitalists** has cornered and exploited the world's resources and the staples required for civilised living; they have been able to do this because they have owned and controlled the world's wealth through their **interlocking directorates**, and have retained it in their hands. They have **made possible the vast differences existing between the very rich and the very poor**; they love money and the power which money gives; they

have stood behind **governments** and **politicians**; **they have controlled the electorate**; they have made possible the narrow **nationalistic** aims of selfish politics; they have financed the world businesses and controlled oil, coal, power, light and transportation; **they control publicly or sub rosa the world's banking accounts**.

The responsibility for the widespread misery to be found today in every country in the world, lies predominantly at the door of certain major interrelated groups of business men, **bankers, executives of international cartels, monopolies, trusts and organisations, and directors of huge corporations**, who work for corporate or personal gain. (7 - 70/1).

(2) **A war is starting between the selfish monied interests and the mass of humanity** who demand fair play and a right share of the world's wealth. (7 - 72).

Study Paths

Choose the Political Study Path or the Religious Study Path

There are two main paths for studying the N.W.O. You can choose the religious study path which includes all aspects of life in the universe including God. Or you can study only the politics of the N.W.O. without studying God or the secret societies. Even when you study only the politics of the N.W.O. you will have to consider a little bit about the religions of different people around the world but you won't be studying the depths of those people's religions or the plan of God or the origins of the universe. You can choose a study path or make your own by studying the topics that interest you in the order that you prefer.

Studying The Religious Aspects Of The Infowar

The Original Text Bible and the Changed Text of the Bible

There are two main groups of bibles. There is one group that includes admitted changes and another group that is the original text. The members of the N.W.O. admit they hate and have changed the original text Bible. The N.W.O. use lies about the Bible to trick us into supporting their plan. If you want to understand how they trick us on a religious level you need to understand the story from the original text Bible. It is the original text Bible that used prophecy to tell us the timeline of the N.W.O. before it happened.

The group of bibles that the King James Bible comes from is the original text. The prophecies and other writings in the original text make sense and are complete. The changed Bibles don't make sense.

Investigating the Bible as a Book Because It Is a Book

Confirming the story of the Bible using science requires knowing the story of the Bible or at least the part of the story you are interested in confirming. It is a complex book to read. It uses many literary devices to connect the different parts of the story together and to convey information. The literary devices such as plot lines, typology, merism, parables, parallelism and symbols help us make sure we have the correct story

and understanding of that story. We can't ignore what those devices tell us. They are intended to give us information. They are a method for giving us more information than just the superficial meaning of their phrases. All the meanings together give us a complete picture of what God is telling us. For example, the book of revelation is written using a chiasm for its plot and that structure helps us keep the events in the proper sequence on the timeline. Because of that chiastic plot we can avoid confusing the timeline of the prophecies.

How Do We Know the Bible Is Really From God

How do we know the Bible is really from God? The answer is prophecy. That's what the Bible tells us. What else can we use for proof? God won't come to earth and explain it to you in person. The prophets can't be interviewed because they are dead and the people the prophets knew are dead. All we have left are the books they wrote. Those books have to be confirmed or rejected as truth using various sciences.

God Tells Us He Uses Prophecy to Prove He Is Real and the Bible Is From Him

God did not give us any random prophecies about the future such as the winning lottery numbers. God gave us Lucifer's activities in His prophecies. We are given four main topics of information in God's prophecies:

- God's activities
- God's people's activities
- Lucifer's activities
- Lucifer's people's activities

The quote below from the Bible tells us that God uses prophecy to prove He is telling us the truth in the Bible.

[The Holy Bible: Book of Isaiah](#)

King James Version

{46:9} Remember the former things of old: for I [am] God, and [there is] none else; [I am] God, and [there is] none like me,

{46:10} **Declaring the end from the beginning, and from ancient times [the things] that are not [yet] done,** saying, My counsel shall stand, and I will do all my pleasure:

The prophecies in the Bible span thousands of years and predict current events and the activities of the N.W.O. The fundamental teachings of the Bible are included in the prophecies and the other parts of the Bible are connected to the prophecies through meaning and literary devices. All the parts of the Bible are in harmony with each other. If you add or remove parts of the Bible it will become obvious because the prophecies and literary devices won't make sense anymore.

Prophecy Is Proof That Cannot Be Counterfeited

Lucifer and the fallen angels are very deceptive. They sometimes pretend to be God or one of His law abiding angels so they can manipulate people. God would never do something that Lucifer or the fallen angels are capable of and then offer it to us as proof that He is real and of ultimate authority. No one can tell you the history of humanity before it happens except God. Thousand year prophecies are a tough act to follow. Lucifer and the fallen angels can't counterfeit prophecies and trick us. They just don't have that ability. They can fool us by appearing as something they are not just like using a fake identity which is an effective tactic.

The reason God uses prophecy is because it shows He is in control and allows us free will with consequences for our actions. It shows us that God is all knowing and even knew what Lucifer and the fallen angels would do. But most of all, it shows us that God does what he tells us He will do. When God tells you that He will destroy you if you wish to reject Him, you can count on it. God is the source of all life. If you reject God you will eventually die and you will not be restored to immortality by God because you rejected Him.

Steps for Checking Prophecies and Confirming They Are Real

Infowar School uses the King James Version Bible. The first thing you have to do if you want to confirm the story of the Bible is to select a Bible because there are different versions. Next, read the story in that Bible and read its prophecies. Then you can check to see if the prophecies came true and if they were actually written before the events happened.

We can see there are 5 steps for proving the Bible is true.

1. Select your Bible
2. Identify the prophecies in that Bible
3. Check the dates the prophecies were written to see if they were written before the events they predicted
4. Check the events the prophecies predicted to see if they happened
5. Check the parts of the Bible that are not prophecy to see if they are in harmony with the fundamental teachings given in the prophecies

The God Of The Original Text Bible Is The Creator Of The Universe And All Life In It And He Has Absolute Authority And No Other Has Authority Above Him

How can anyone say Lucifer is wrong if there is no standard to hold him to? Who decides what the standard is for right and wrong and how do they do it? We make laws on earth that deal with the question of morality when issues such as life and death are involved. Eventually the topic of morality will lead to the question of who created life and as we already saw in the previous topics of Operation Icebreaker, God and Lucifer both agree that God created humans. God also created a law for Humans at the time of

their creation. Therefore, God (Jehovah / Yahweh) has the authority because humans and the laws that govern them are His. Lucifer admits that he interfered with God's creation and he had no authority to do that. Lucifer is an interloper.

The N.W.O. wants Google and Facebook and 'dataism' to have authority over you and your life. Look at the views they hold regarding authority.

The basic idea of dataism is a shift in authority. Previously, authority resided above the clouds and descended down to the pope, the king or the czar. Then for the last two or three centuries, authority came down from the clouds and took up residence in people's hearts. Your feelings became the highest source of authority. The emotions of the voters in a democracy, not his or her rationality, became the number one authority in politics. In the economics of the consumer society, it is the feelings of the customer that drive every market. The feelings of the individual are the prime authority in ethics. "If it feels good, do it" is the basic ethical ideal of humanism.

So authority came down from the clouds, moved to the human heart and now **authority is shifting back to the Google cloud and the Microsoft cloud. Data, and the ability to analyze data, is the new source of authority.** If you have a problem in life, whether it is what to study, whom to marry or whom to vote for, **you don't ask God above or your feelings inside, you ask Google or Facebook.** If they have enough data on you, and enough computing power, **they know what you feel already and why you feel that way.** Based on that, they can allegedly **make much better decisions on your behalf than you can on your own.**

God Has Proven the Story He Tells Us in the Holy Bible

Besides the N.W.O. admitting that God has the authority over humanity, God also proves that He created the universe and everything in it including Lucifer and the fallen angels. Checking the proof of prophecy is part of the religion course at Infowar School. The prophecies form a composite timeline of history before it happened.

Lucifer Does Not Prove the Story He Tells Us through His Disciples

The story given to us by theosophy is the story given to us by Lucifer and the Spiritual Hierarchy. It tells us that the universe is millions of years old and that humans reincarnate. In the courses of the religious study path you will see the scientific evidence that disproves their timeline and confirms the timeline of the Bible. We can see very clearly and definitively, by one of the sources of theosophy itself, that theosophy departs from science and is based on beliefs and not on verifiable, unequivocal facts. They just expect you to trust them and believe them because they said so.

It has also to be shown how far the **occult teachings depart from real science**, and whether the ancient or the modern theories are the most logically and philosophically correct.

Scholars of religion who have studied Theosophy have characterized it as a religion. In his history of the Theosophical movement, Bruce F. Campbell noted that Theosophy promoted "a religious world-view" using "explicitly religious terms" and that **its central tenets are not unequivocal fact, but rather rely on belief**. Olav Hammer and Mikael Rothstein termed it "one of the modern world's most important religious traditions". Various scholars have pointed to its eclectic nature; Joscelyn Godwin described it as a "universally eclectic religious movement", while scholar J. Jeffrey Franklin characterized Theosophy as a "hybrid religion" for its syncretic combination of elements from various other sources. More specifically, Theosophy has been categorized as a new religious movement.

Investigating the Various Parts of the N.W.O. Timeline.

Historical Parts Of The N.W.O. Timeline

The Activities of Lucifer and the Fallen Angels Before They Started Their Plan to Create the N.W.O. From Creation until the Year 1588

All the human members of the N.W.O. from this time period are deceased. The topics are mainly religious and are part of the religious study path. It is more difficult to study this part of the timeline because the evidence is very old. Many sciences are needed to examine the evidence

The Activities of the N.W.O. From 1588 Until 1945

1588 is the beginning of the N.W.O. timeline. The human members of the N.W.O. from this time are all deceased. It is easier to study this part of the timeline because there is a lot of well documented evidence of their activities. A lot of the evidence is still very old so it is difficult to closely examine certain topics.

Current Parts Of The N.W.O. Timeline

Prosecutable Activities of the N.W.O. Members Who Are Still Alive 1945 - Present

This part of the timeline is very easy to study. There is a lot of well documented evidence and many of the N.W.O. members are still available to be questioned and prosecuted. Activities like WW2, the covid pandemic, and the false climate crisis are all well known topics and admitted parts of the N.W.O. plan.
